**MOTION FOR LEAVE TO FILE
OVERLENGTH MOTION**

Case No. 2:23-cv-723-DBB-DBP

The Honorable David Barlow

Chief Magistrate Judge Dustin B. Pead

RELIEF SOUGHT AND GROUNDS THEREFOR

Pursuant to DUCivR 7-1(a)(4)(D) and this Court’s Individual Practice § 2.G, Defendant SkyWest InFlight Association (“SIA”) seeks leave to file an overlength motion to amend its counterclaims and join additional parties (the “Motion”) containing up to 18 pages.

ARGUMENT

Good cause and exceptional circumstances support this request. *See* DUCivR 7-1(a)(4)(D); Individual Practice § 2.G. SIA’s Motion will seek leave to file amended counterclaims and to join additional counterclaim defendants. Because the deadlines for amendment and adding parties in the operative scheduling order have passed, ECF No. 88 at ¶ 3, SIA must satisfy Rule 16’s “good cause” requirement for modifying a scheduling order, as well as the applicable standard under Rule 15(a), *see Gorsuch, Ltd., B.C. v. Wells Fargo Nat. Bank Ass’n*, 771 F.3d 1230, 1240 (10th Cir. 2014) (citations omitted). In addition, because SIA seeks leave to add new parties as defendants to some of its counterclaims, SIA must also satisfy either Rule 19 or 20. *See* Fed. R. Civ. P. 13(h). SIA accordingly must brief no fewer than four standards, each of which could warrant its own motion under different circumstances. In addition, because Rule 16’s “good cause” requirement focuses on the reasons for delay, SIA’s Motion necessarily must provide sufficient background and detail around the circumstances necessitating this Motion. SIA has attempted to be concise. However, additional pages are required to adequately address all the issues.

CONCLUSION

For these reasons, SIA respectfully asks the Court for leave to exceed DUCivR 7-1(a)(4)(D)(i)'s 10-page limit by no more than 8 pages for a total of 18 pages, excluding the caption, face-sheet, etc. A proposed order is submitted herewith.
